**DEFINITIONS**

In this Release Agreement, the term "**Cycling Activities**" shall include all activities, events, services, use of facilities, use of related equipment rental, lessons, clinics and sessions provided, arranged, organized or conducted by the Releasees, including but not limited to: cycling; bike descents; mountain bike tours and camps; bicycle skills training; use of trails and roads; demonstrations, orientations, instructional courses, clinics, sessions, tours and other guided activities; and all other related activities, events or services in any way related to the Releasees.

**ACKNOWLEDGEMENT – CYCLING SAFETY EQUIPMENT**

I have been advised to wear an approved helmet and other protective equipment while participating in the Cycling Activities and to comply with all applicable municipal and provincial highway laws and regulations. I understand that a helmet designed for recreational bicycle use may help reduce the risk of some types of injuries but that serious injury or death can result even when a helmet is worn. I am familiar with the proper use of the mountain bike and other equipment, including all quick release mechanisms, brakes and gear shifters. I am aware that there are technicians available to answer any questions that I may have as to the proper use of any equipment used in Cycling Activities.

**ASSUMPTION OF RISKS**

Injuries are a common and expected part of Cycling Activities. Cycling Activities may take place on steep and rugged terrain and features that are both physically and technically challenging and will expose the rider to many risks, dangers and hazards. These include but are not limited to: changing weather conditions; mechanical failure of the bike or other equipment; slips, trips and falls; loss of balance; high speed descents; difficulty or inability to control one's speed and direction; rapid or uncontrolled acceleration on hills and inclines; extreme variation in cycling terrain including steep or slippery sections, trees, roots, tree stumps, logs, cliffs, rocks, rock drops, loose gravel, holes, depressions, streams and creeks; collision with or collapse of constructed features such as bridges, ramps, ladders, bumps, berms, jumps, and drops; collision with other persons; collisions with natural and constructed objects, mountain bikes and vehicles; encounters with domestic and wild animals including dogs, bears and cougars; negligence of other riders or users of the mountain bike trails and terrain; negligent first aid; accidents during mountain bike instructional courses, lessons, clinics, sessions or tours; infectious disease contracted through viruses, bacteria, parasites and fungi which may be transmitted through direct or indirect contact; negligence of other participants or third parties; becoming lost or separated from one's guide or instructor and **NEGLIGENCE ON THE PART OF THE RELEASEES. I UNDERSTAND THAT NEGLIGENCE INCLUDES FAILURE ON THE PART OF THE RELEASEES TO TAKE REASONABLE STEPS TO SAFEGUARD OR PROTECT THE RIDER FROM OR WARN OF THE RISKS, DANGERS AND HAZARDS ASSOCIATED WITH USE OF THE EQUIPMENT OR PARTICIPATING IN CYCLING ACTIVITIES.**

Communication in the terrain used for Cycling Activities is difficult and in the event of an accident, rescue and medical treatment may not be available. Weather conditions may be extreme and can change rapidly and without warning. I acknowledge and agree that all expenses associated with non-scheduled or emergency evacuation, rescue or first aid will be my responsibility and will not be covered by the Releasees.

**I FREELY ACCEPT AND FULLY ASSUME ALL RISKS, DANGERS AND HAZARDS ASSOCIATED WITH PARTICIPATING IN CYCLING ACTIVITIES AND THE POSSIBILITY OF PERSONAL INJURY, DEATH, PROPERTY DAMAGE OR LOSS RESULTING THEREFROM.**
