Sleeping pad	1	If inflatable, please check that your mat has no leaks before packing it. Participants can also use foam camping mats. Needs to be smaller than 10L in size when packed.
Sleeping pad stuff sack	1	All inflatable sleeping pads must be stored in stuff sacks and cannot be loose. This makes them easier to pack and protects them from being punctured.
Pillow	1	Any old pillow will do but a camp pillow would be nice for the campout.
Water bottle	1	A 1L hard water bottle such as a Nalgene is essential.
Hydration system (optional)	1	Hydration systems are nice to have but a water bottle is more than adequate.
Headlamp	1	Flashlights are ok in a pinch but we highly recommend a water-resistant headlamp.
