

Packing list: Kayak

****We recommend these items are packed in one duffle bag****

If you do not have any of these items on this list, please contact us and we may be able to lend or rent the items. If your child shows up with improper equipment and you have not made prior arrangements with us, you may need to pickup your child or pay a rental fee.

1. On-trip List (what the participant needs while on the actual expedition):

Item	Quantity	Helpful information
Water shoes	1 pair	Neoprene booties, sandals, amphibious shoes or water shoes. We recommend a pair of neoprene socks be worn if wearing sandals or amphibious shoes to prevent foot chaffing.
Neoprene socks (optional)	1 pair	
Sleeping bag	1	Down or synthetic sleeping bags are both good options. The packed volume should not exceed 6L and weigh not more than 4 lbs. The bag must be rated to at least -5 C, the ideal range is -5 C to -12 C.
Sleeping bag compression sack	1	We highly recommend storing your sleeping bag in a fully waterproof, seam sealed compression sack.
Sleeping pad	1	An inflatable sleeping pad that packs down smaller than 2L and weighs less than 1.5 lbs. Please check to your mat has no leaks before bringing it on trip. Participants can also use foam camping mats (not recommended).
Sleeping pad stuff sack	1	All inflatable sleeping pads must be stored in stuff sacks and cannot be loose. This makes them easier to pack and protects them from being punctured.
Pillow (optional)	1	A camping pillow can be a nice comfort item to bring, however it must be packable and lightweight
Water bottle	1	A 1L hard water bottle such as a Nalgene is essential.
Hydration system (optional)	1	Hydration systems are definitely nice to have but a water bottle is more than adequate.
Headlamp	1	Flashlights are ok in a pinch but we highly recommend a water-resistant headlamp.
Extra batteries for headlamp	1 set	1 complete set of extra batteries for the headlamp. We recommend using energizer lithium batteries as they last far longer, work better in colder temperatures and have

Packing list: Kayak

		significantly less mass. We also recommend storing them in a small waterproof drybag or Ziploc.
Camera (optional)	1	It is recommended to have an extra battery.
Waterproof camera case (optional)	1	We recommend a Pelican case.
Camping bowl	1	
Camping spoon	1	
Camping fork	1	
Camping knife	1	
Camping plate	1	
Camping cup	1	
Mesh bag	1	To fit all camping dishes
Watch	1	Waterproof recommended

****Please contact us if you have any questions!****

****We highly recommend that all gear is tested before the program begins.****

Clothing **Absolutely no cotton******

Rain jacket	1	We highly recommend a waterproof breathable GORE-TEX type rain jacket (also known as a hard shell). Other fully waterproof rain jackets will work. No ponchos please.
Rain pants	1 pair	We highly recommend a waterproof breathable GORE-TEX type rain pant (also known as a hard shell). Other fully waterproof rain pants will also work.
Hat	1	A full brim sunhat.
Sunglasses	1	Properly fitting sunglasses that fully cover the participant's eyes.
In-camp shoes	1 pair	A pair of runners, sandals, crocks, etc. used for crossing creeks and wearing at the campsite. Must have a backstrap.
Long underwear	2	A pair of wool or fleece long underwear.
Shorts	2	2 pairs of quick drying shorts. Nylon recommended
Swimsuit	1	
Long pants	1 pair	1 pair of quick drying pants. Nylon recommended
Underwear	4 pairs	Synthetic (boxer briefs for males) is best as it reduces chaffing.
Socks	3 pairs	Wool hiking socks.

Packing list: Kayak

Insulating tops	2	Fleece, wool or puffy jackets.
T-shirt long	1	Wool or synthetic
T-shirt short	2	
Long sleeved sun shirt	1	BARE brand or similar
Warm hat	1	A fleece hat, toque, etc
Fleece gloves	1 pair	Polar fleece gloves, wool ones work too

****Please contact us if you have any questions!****

****We highly recommend that all clothing is checked and tested before the program begins.****

Toiletries and medications

3L dry sack (optional)	1	We recommend bringing a 3L dry sack to store toiletries in (in case they leak and to keep them together).
Toothbrush	1	
Toothpaste	1	Travel sized
Hand Soap	1	200ml or more bottle
Hand Sanitizer	2	100ml bottles
Sunscreen	1	Must be waterproof
Bug spray (optional)	1	
Feminine products	n/a	
Personal medications	2X	If there are certain medications the participant is required to take please pack enough for twice the length of the program.

****Please contact us if you have any questions!****

- 1 warm Jacket

Please do not bring:

- Food
- Electronics (other than those listed)
- Money
- Tobacco, alcohol, etc.
- Expensive/luxury clothing
- Hatchets
- Jewelry and other valuables

A note on cotton

Cotton is not ideal for any backcountry environment. When cotton absorbs moisture it gets heavy and no longer insulates, instead it actually draws heat away from the body. Other fibers such as wool and synthetics don't get as heavy and still have some insulating ability when wet. We don't have the ability to dry clothing in the backcountry. It can become a safety hazard.
