Gear Rental Add-Ons

Overview: It is essential for safety and participant enjoyment that participants show up with the correct gear. We understand that certain items can be very expensive, therefore we offer some of these key items for rent. If you need additional gear that is not on the packing list, please contact us. We may be able to sell it to you or point you to a local business that can assist you. We recommend Valhalla Pure or Robinson's Outdoor Store, both located in downtown Victoria. **Please note, if a participant shows up without the gear listed on the packing list, the gear rental fee may be increased by up to 100% for each item, if we still have stock to provide.**
