About Group Lesson Schedules

- We have posted the lessons people have most requested.
- If you see a lesson that does not work for your schedule, please complete the “Group Swim Lesson Dates & Interest Survey” <https://forms.gle/W66EXb7RsRbFro8g7> and we will do our best to add in some lessons for you.
- Make sure to check back regularly as we will update lesson schedules in real time as we add new lessons times and options.
- Group lessons require a minimum of 2 kids to run and sometimes 3.
- Ability level descriptions can be found in the “Swim Lesson Pricing and Levels” document. Refunds will not be granted if your child is in the wrong level. Please check with us to confirm your child’s level prior to registering.
